Note: To extend this method with a tight budget if you have Magic 55 and Runecrafting 44, you can create the nature and fire runes and then launch alchemy from high level on the protoleather bodies. This especially benefits any player who has neglected handicrafts (but not many other skills, of which Dungeon depends). In addition, a field of cows is immediately located to the west of the handmade greener, and a herd of sheep can be found north of the artisan greeting. Guild.
